MEMORANDUM

To: John E. Lewis
From: Marcus Delgado
Date: December 8, 1999
RE: Notification of Patent Application Filing for
Title:
BellSouth No.:
Filing Date:

The above-referenced patent application was filed in the U.S. Patent and Trademark Office ("PTO") on the filing date shown above. We expect the official filing receipt, including the assigned serial number for this application, within the next several weeks.

We will keep you advised of further progress as the application proceeds through the PTO.

cc: Donna Post

91	10.3	Organize & file project plan & documentation	2 days	Thu 8/17/00	Fri 8/18/00	90		0%	Yes	Project Lead	

Project Template Project Plan	
3	Conduct & document client interview If create interview form, can eliminate tasks 1.2.1 thru 1.2.8
4	Gather product information Must include product benefits, similar products, etc.
5	ID tech support issues Type of support required? Tech transfer? Support partner? No support?
8	Perform initial assessment of IP issues Title and rights: 1. Ownership? 2. Protection? 3. Possible infringement?
9	ID client organization decision makers Consider decision makers and needed officer buy-in.
11	Notify / PMAN to begin patent process Potential checklist/form for interview process. If form, change task to "Provide interview form (name or number) to IPMAN". This notification will trigger IPMAN to review patent status.
12	Make & document prelim go/no-go decision Potential form to doc reasons for go/no go.
14	Assess competitive environment Potential checklist or standard form for assessing comp. environment. If so, may choose to delete 2.1.1 thru 2.1.7 and change 2.1 task name to something like complete Form XXX, Competitive Environment Assessment.
22	ID & assess IP issues Expanded investigation of any ownership, protection, potential infringement issues.
24	Prepare market research summary Potential Score Card form. If so, indicate in task field.
25	ID decision makers Verify that all key decision makers are identified
28	Make & document product go/no go decision Potential form to doc reasons for go/no go.
29	Prioritize project opportunity or notify client of no go decision Create scorecard to prioritize. Create form letter that thanks client and notifies of status of product.
32	Review/update market research summary Potential form, Part 2 of Score Card, more market plan specific info.
34	Prepare PTR No formal client interview but Product Manager will communicate with client regularly while preparing the PTR
35	ID decision makers May require multiple client approvals. If so, add task for additional approval(s) - i.e. business unit and IT approval.
42	ID & document customer-specific benefits If patent license, add task for AMC approval.
43	If form or checklist, can eliminate this task. May be considered part of marketing plan. Determine final valuation & price structure If form or checklist, can eliminate this task.

Project Template Project Plan	
51	Sell product At this point, duplicate project plan for each target customer for the specified product.
52	Make initial contact with customer(s)/sales partners Must have signed PTR before initial contact with potential customer
53	Obtain NDA from customer/sales partner Inbound NDA for receiving information and mutual NDA also available on h: drive
55	Conduct sales meeting Including PowerPoint sales presentation
56	ID follow-up sales activities May include demos, site visits to existing customers, brochures, additional presentations, response to meeting questions...OR NOTHING!
58	Finalize sales decision Resource for this task is actually the customer.
63	Conduct meeting to discuss deal parameters Recommend use term sheet for outline of meeting agenda. See link to term sheet on task 5.10.3, Prepare term sheet.
68	Negotiate and finalize contract Could be multiple drafts and result in additional meetings between IPMARK and customer, includes obtaining all necessary approvals
71	Prepare TR If time & resources permit, Mktg/Sales rep should begin pulling together the TR in parallel with task 6.2, Negotiate & finalize contract.
85	Implement quality standard management process Follow up with new customer/sales partner for samples of products to check for product quality.
88	Close out project Project may potentially end any one of several points within project plan. Must complete close out tasks at where ever project end falls within project plan.
89	Perform final updates to project plan Final updates include any clean-up to project plan, e.g. review/update task durations to accurately represent time spent on project tasks. Final update helpful in accurately tracking project and project plan efficiency to allow for process improvement.
90	Identify lessons learned & perform follow-up activities Follow-up could include analyzing project effectiveness and updating generic plan
91	Organize & file project plan & documentation Final project plan should be part of project documentation. Need to develop checklist for keep/not keep documentation. May want to choose std color file for this so always identifiable. Also consider one color for project in progress and another color for project complete.

Client Interview questionnaire (task 1.2)
(Completion Date: _____)

1. Gather product information
2. ID tech support issues
3. ID potential roadblocks
4. ID potential customers/suppliers
5. Perform initial assessment of IP issues
6. ID client organization decision makers

FIG. 201

NONDISCLOSURE AGREEMENT

THIS NONDISCLOSURE AGREEMENT is made by and between [Name of _____ Entity], a corporation organized under the laws of _____ ("OWNER"), and _____, a corporation organized under the laws of _____ (the "Company"), effective as of _____, 20____. The parties agree as follows:

1. Project Defined. The Company may receive from OWNER information of a non-public nature for use by the Company and its officers, directors, agents, employees and representatives, including financial and legal advisers (collectively "Representatives"), in the course of the performance of the Company's services for OWNER in connection with _____

_____ (the "Project").

2. Information Defined. The Company acknowledges that, in the course of its performance of services for or discussions with OWNER in connection with the Project, the Company will receive certain private and proprietary information from or about OWNER or its affiliates, including but not limited to technical, financial or business information and models, names of customers or partners; proposed business deals, reports, plans, market projections, software programs, data or any other private and proprietary information relating to the Project which may include certain trade secrets ("Information"). The term "Information" as used herein also includes: (i) the fact that the Information has been made available to or is being inspected or evaluated by the Company; (ii) the fact that the Company is providing services to OWNER or is otherwise involved in or discussing the Project; and (iii) any information, work papers, analyses, compilations, projections, studies, documents, terms, conditions, correspondence, facts or other materials derived or produced by the Company or its representatives for OWNER in connection with the Project. Any Information supplied by OWNER to the Company prior to the execution of this Agreement shall be subject to the same treatment as the Information made available after the execution of this Agreement.

3. Exclusions from Definition. The term "Information" as used herein does not include any data or information that: (a) is already known to the Company at the time it is disclosed to the Company; or (b) before being divulged by the Company: (i) has become generally known to the public through no wrongful act of the Company or its representatives; (ii) has been rightfully received by the Company from a third party without restriction on disclosure and without a breach of an obligation of confidentiality

PRIVATE/PROPRIETARY/LOCK

running directly or indirectly to *OWNER*; (iii) has been approved for release by a written authorization by *OWNER*; or (iv) is independently developed by the Company without use, directly or indirectly, of the Information received from *OWNER*.

4. Nondisclosure Obligation. The Company shall keep the Information confidential and shall not disclose such Information, in whole or in part, to any person other than its Representatives who need to know such Information in connection with the Company's performance of services for *OWNER* in connection with the Project except with the prior written consent of *OWNER* or as otherwise permitted hereunder. Such Representatives shall be informed by the Company of the confidential nature of the Information and shall be required by the Company to agree in writing to be bound by this Agreement. The Information shall be used by the Company solely for the purpose of performing services for or otherwise evaluating the information provided by *OWNER* in connection with the Project, and shall not be otherwise used for the Company's own benefit or for any purpose detrimental to the interests of

5. Standard of Protection. For the purpose of complying with the obligations set forth herein, the Company shall use efforts commensurate with those that it employs for the protection of corresponding sensitive information of its own, which shall in any event be no lesser a standard than the type of efforts that would be taken by a reasonable business for the protection of its own highly confidential information and trade secrets.

6. Compliance with Legal Process. In the event that the Company is legally requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, Civil Investigative Demand or similar process or, in the opinion of counsel for the Company, by federal or state securities or other statutes, regulations or laws) to disclose any Information, the Company shall promptly notify *OWNER* of such request or requirement prior to disclosure so that *OWNER* may seek an appropriate protective order and/or waive compliance with the terms of this Agreement.

7. Ownership; Return of Information. All Information (including tangible copies and computerized or electronic versions and summaries thereof) shall remain the property of *OWNER*. Within ten (10) days following the receipt of a written request from *OWNER*, the Company shall deliver to *OWNER* all tangible materials containing or embodying the Information received from *OWNER*, together with a certificate executed by an officer of the Company certifying that all such materials in the Company's possession or control have been delivered to *OWNER* or destroyed. The Company shall not assert directly or indirectly any right with respect to the Information which may impair or be adverse to *OWNER*'s ownership thereof.

PRIVATE/PROPRIETARY/LOCK

8. Remedies for Breach. The Company understands and agrees that money damages would not be a sufficient remedy for any breach of this Agreement and that *OWNER* shall be entitled to seek injunctive or other equitable relief to remedy or forestall any such breach or threatened breach. Such remedy shall not be deemed to be the exclusive remedy for any breach of this Agreement, but shall be in addition to all other rights and remedies available at law or in equity.

9. No Representations or Further Obligations. Neither this Agreement nor the disclosure of Information shall constitute or imply any promise or intention to make any purchase of services by *OWNER*. None of the Information which may be disclosed by *OWNER* shall constitute any representation, warranty, assurance, guarantee or inducement by *OWNER* to the Company of any kind, and in particular, with respect to the accuracy or completeness of any Information or the non-infringement of trademarks, patents, copyrights, mask protection rights or any other intellectual property rights, or other rights of third persons. It is understood that this Agreement does not obligate *OWNER* to enter into any further agreements or to proceed with any possible relationship or other transaction.

10. Term; Termination. This Agreement shall terminate as to the exchange of any new Information three (3) years after the effective date hereof. Either party may terminate the exchange of Information under this Agreement at any time by written notice to the other specifically referencing this Agreement. In any event, however, the obligations of the Company to maintain the confidentiality of the Information it has received under this Agreement shall continue for a period of three (3) years after such termination and then terminate; provided, however, that such obligation shall continue indefinitely as to Information constituting a trade secret under applicable law for so long as such Information remains a trade secret.

11. No Waiver. No failure or delay by *OWNER* in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

12. Amendment. This Agreement may not be modified, supplemented or amended orally, but only by a writing signed by both parties hereto.

13. Applicability to Associated Parties. Any information disclosed to the Company by any of *OWNER*'s affiliated companies or by any company, person or other entity participating with *OWNER* in any consortium, partnership, joint venture or

PRIVATE/PROPRIETARY/LOCK

similar business combination in connection with the Project, which would otherwise constitute Information hereunder if disclosed by **OWNER**, shall be deemed to constitute Information under this Agreement, and the rights of **OWNER** under this Agreement may be enforced by any such affiliate or other entity in addition to with respect to any violation relating to the Information disclosed by such affiliate or other entity, as if such entity were also a party to this Agreement.

14. Governing Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of _____, without regard to its choice of law provisions.

IN WITNESS WHEREOF, the parties have executed and delivered this Nondisclosure Agreement effective as of the date first written above.

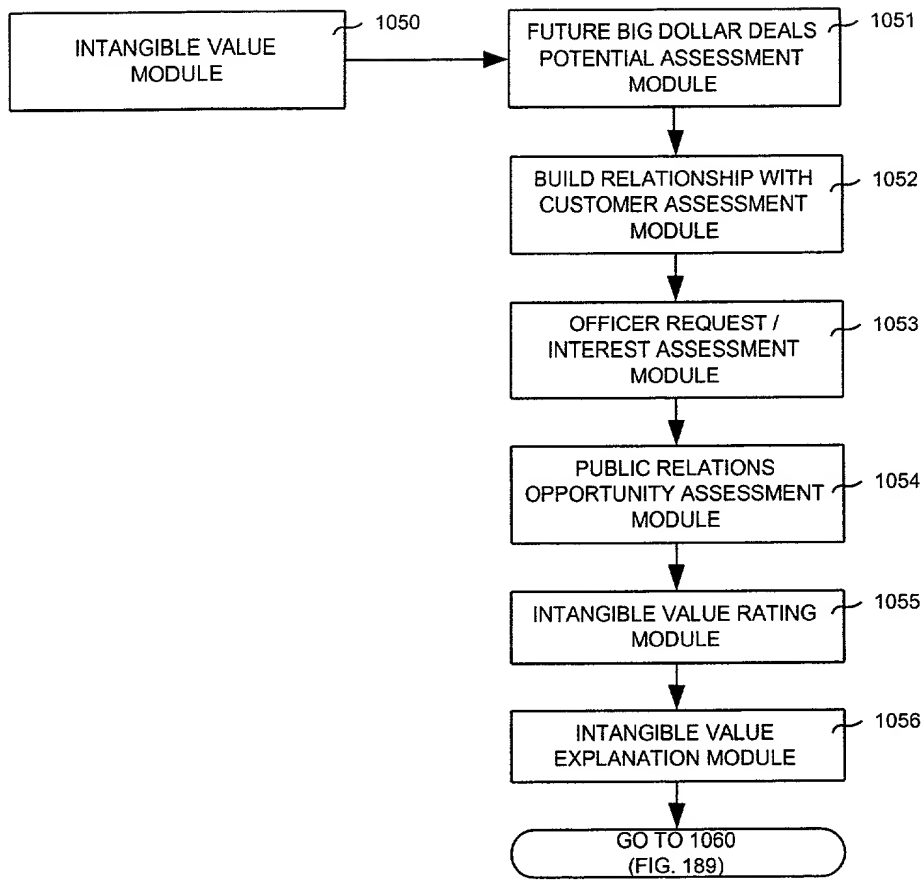

FIG. 218

INTELLECTUAL PROPERTY AWARDS PROGRAM

FIG. 219

>>> Company Intellectual Property>>> >> 10 Step Checklist

✓Patents

- ☐ Work produced by Company employees or with Company resources has been assessed for patentability if, at least one of the following occurred:
 - ⇒ Development of a new product, feature, process or software that seems unique
 - ⇒ Improvements to existing technology, product, process, or software
 - ⇒ Results that cut costs and/or improve efficiency
 - ⇒ Creation of a new business method

It is critical that employees bring their inventions to the attention of the Director of Technology (404) xxx-xxxx or the Technology Asset Manager (404) xxx-xxxx as soon as possible, and especially before any public disclosure of the invention!

✓Trademarks

- ☐ The Company mark and subbrands have been used in accordance with the company's graphics standards to ensure that the significant value of the mark is not diluted.
- ☐ All subbrands have been cleared by the Director of Trademarks.
- ☐ All third party (such as agents, distributors, co-brand parties, and sponsored parties) use of Company's trademarks have been authorized in writing using language approved by Company Intellectual Property Marketing Corp.

Any questions regarding Graphics and Sponsorships should be brought to the attention of the Director of Corporate Identity (404) xxx-xxxx and other Trademark questions should be directed to the Director of Trademarks (404) xxx-xxxx.

✓Copyrights

- ☐ Every Company work product created by an employee or by a vendor under a "work made for hire" contract have been properly marked with a copyright notice.

It is not necessary to register the copyright in order to place the copyright notice on the work.

Any questions regarding Copyrights should be brought to the attention of the Director of Administration (404) xxx-xxxx.

✓Proprietary Information

- ☐ All proprietary information has been physically marked by its originator at the bottom center margin using the approved markings.
- ☐ All proprietary information has been securely stored and properly disposed.
- ☐ An NDA or IEA has been executed due to the necessity of sharing Company proprietary information in order to discuss or negotiate a potential business relationship, and:
 - ⇒ only the minimum amount of proprietary information necessary to facilitate our business purposes has been shared or received; and
 - ⇒ any necessary patent applications have been filed prior to such disclosures.

Any questions regarding proprietary information should be brought to the attention of the Director of Administration (404) xxx-xxxx.

✓Ownership

- ☐ Before any development work to be done by an outside vendor (such as software, training courses or advertising) is begun, a specific written contract has been executed ensuring that Company will be the owner of the intellectual property rights in the developed technology, or work of authorship. (see *Executive Directive 12*).

Any questions regarding Ownership should be brought to the attention of the Vice President of Company Intellectual Property Management Corporation (404) xxx-xxxx.

✓Marketing

Company's policy is to maximize the value from its intellectual property.

- ☐ Opportunities to outmarket Company technology, software, systems, processes or other intellectual property to another company have been identified.

Any marketing opportunities should be brought to the attention of the Vice President of Company Intellectual Property Marketing Corporation (404) xxx-xxxx.

FIG. 220

Patent Process Life Cycle

Task :

- Developments or Improvements created by company employees or with company resources should be brought to IP Protection's attention
- Review for technical merit
- State of Industry
- Problem Solved
